

MAINLAND COMPANY FORMATION

The type of companies formed with the accreditation of the economic department are:

- Limited Liability Company
- Sole Proprietorship
- Branch of a Foreign Company
- Branch of a Free Zone Company
- Civil Company
- Representative Office
- Public Shareholding Companies
- SME/Instant License

It is mandatory to lease office space of a minimum of 200 sq. ft. to set a mainland company up. The eligibility of the visa depends on the size of the office.

The advantages of setting up a Mainland Company are:

- Wide range of business activities
- No minimum capital requirement
- Ease of opening bank account
- Easy availability of office solutions
- Robust network
- Easy business set-up process
- Participate in government projects
- 100% return on capital
- 0% corporate or personal income tax.
