UAE, the land of skyscrapers, ports, beaches, and where big businesses take place alongside sun-seeking tourism. Being a global business hub, it opens a wide range of opportunities for entrepreneurs and proprietors. Confecting offshore companies in a tax-driven jurisdiction like UAE is a desirable option. Being a region that is high in demand for the construction of offshore companies possesses a double tax treaty with over 40 countries.

There exist three offshore jurisdictions in UAE. They are:

- Jebel Ali Offshore or JAFZA Offshore
- Ajman Offshore
- RAK Offshore

As it is impossible to open an offshore company without a registered agent, who acts as a mediator, we are here to provide you with all the mandatory aspects for your dream company.

We assure our boundless services like:

- a. Maintaining confidentiality throughout the process
- b. Respects your anonymity & privacy
- c. Provide your protection to wealth and services.

Our valuable services are also available at British Virgin Island, Cayman Island, and Mauritius.
